Plan Adopted October 26, 2017

What is Title I?

Crooked River Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Crooked River Elementary School will provide opportunities to improve family engagement to support student learning. Crooked River Elementary School values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Crooked River Elementary School will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed? Crooked River Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and provide feedback throughout the year. We also distribute an annual survey online and by student to ask parents for their suggestions on the plan and the use of funds for parent involvement.

What feedback indicated? The yearly survey showed that parents were pleased with the amount and format of communication available to them. They expressed a desire for specific information on ways they can help improve academic skills. They also wanted information on bullying. Parents indicated they would like to receive this in the form of handouts/articles/resources and were not as interested in attending workshops. If there was a workshop available, they preferred the afternoon or evening hours.

Who is it for? All students and their families are encouraged and invited to fully participate in the opportunities described in this plan. Crooked River Elementary will provide full opportunity for the participation of parents and family members with limited English, parents with disabilities and parents of students with disabilities, parents of migratory children, as well as guardians of children served through the Methodist Children's Home. Crooked River Elementary School will offer childcare and transportation to the extent practicable upon request.

Where is it available? Once adopted, the plan is posted on-line on the school website, in the school
